NEW MEMBER INFORMATION

TO: ALL NEW BLUE KNIGHTS® MEMBERS

On behalf of all Blue Knights' around the world, we would like to take a moment and welcome you to our "family."

As you may be aware, the Blue Knights is an organization composing Law Enforcement Officers from every aspect of the job and from many areas of the world. It's an organization that started In Bangor, Maine in 1974, when a few friends, all connected with Law Enforcement, started riding motorcycles together. From this, the idea of the club was formed and, because they were all connected with law enforcement, the name Blue Knights was chosen. From the original seven members, our organization has grown to almost 20,000 members and currently represents almost thirty counties worldwide. Our International Office is located In Bangor, Maine and is open to anyone to visit during regular business hours Monday thru Friday.

Each year, during the month of July, we hold our annual International Convention, where Blue Knights from around the world gather and share the pleasures of motorcycling, while renewing old friendships and making new ones.

If you should have any questions or comments, please don't hesitate to call or write any of the International Board members. Bessie Small (Executive Director) and her assistant, are available to assist you by calling 207-947-4600 (Eastern Time).

As you join our "family", remember, there are no strangers In the Blue Knights, only friends you haven't met. We're looking forward to seeing you at Blue Knights functions.

Until our paths cross..... **" Ride with Pride"**

International Executive Board 2009-2010

HISTORY OF THE BLUE KNIGHTS

The Blue Knights started In April 197 4 when Ed Gallant, a police officer with Bangor, Maine police Department, had an Idea and seven or eight other "cops" worked with him to see the Idea become a reality. The Idea was to form a motorcycle club for people In law enforcement. Some of the early members were Chuck Shurnan of the Brewer Police Department, Wayne LaBree, Sheriffs Office, Doug Miner, Game Warden Service, Bill Robinson, Maine State Police, Joel Rudom, Penobscot County Sheriff Dept., Chuck Gessner, Probation & Parole.

The name "Blue Knights" was suggested by Dave Coleman, Chief of the Brewer

P.D. and John Bryant, an artist for the Brewer P.D. drew the logo for the club.

The news of the Blue Knights' organization began to spread after an article that ran in the Bangor Daily News was picked up by UPI, and Road Rider Magazine. Inquiries started pouring in and chapters began to form. The first outside of Maine was in Brockton, MA and in Canada the first chapter was in Moncton N.B. The first annual convention was held in 1975 at Squaw Mountain, Maine. The annual conventions have since been held from coast to coast, including Canada. The club has continued to grow over the years, as has the structure, which now includes an expanded International board, Conferences and Chapters. We are an Incorporated fraternal organization operating under an International Constitution and Bylaws. The organization has survived many growing pains to reach its size today. Now there are Blue Knights spread throughout almost 30 different countries and we are growing annually.

The rewards of Blue Knights are, enjoying the company of different people who share the common bond of law enforcement and the love of motorcycles, being able to visit your friends in various countries and being treated like family, receiving get well cards from people you've never met, riding with Blue Knights families who give that added touch, donating your time to children's camps and various charities and much more!

Ed Gallant's dream to have a motorcycle club and to ride with his fellow officers has become a reality. "Ride with Pride".

In 1993, the Blue Knights purchased their first International Headquarters building in Bangor, Maine. The purchase included not only an office for our needs. There is also a rental property adjacent to the office. After five years of hard work and dedication from the membership, the property was paid off in June of 1998.

Located at the office are assorted donations from chapters and members, a photo gallery of Past International Presidents, an armored knight and building donation plaques. Members are welcome during business hours.

CHAPTER STARTER KITS

Persons interested in starting a new Blue Knights chapter receive a "Starter Kit" from the International Office. The kit includes bylaws, applications, info concerning the protection of our trademark, sales guidelines, contact phone numbers and more.

International notifies the conference where the potential new chapter is located in order to allow them to assist and verify that there is not an existing chapter in or near that area so recruiting conflicts may be avoided.
